

Boulder Creek Welcomes Santa!

Dear Downtown Business Community;

The BCBA is working towards a fun filled event for 2007.

We have joined together with the BCE Parents Club and Recreation/Parks to plan a variety of events to celebrate the holiday season and our community.

Date: SATURDAY, Dec 8
(note date change!)

This will be the BCE Community Partnership Day AND the day we light the Tree.

We will have a magic show, wagon rides, carolers, a sing a long, kids crafts and more (planning is on-going) and of course, Santa lighting the tree!

We invite all businesses to plan their own extended hours, special sales and/or events to add to the festivities. Please email Charise and Dawn so we can add your event to our advertising!

New this year!
